

Global Education and Training Institute (GETI) invites School Heads, Educators, Policy Makers, Practitioners, Counselors, Researchers to the 13th Ed Leadership International, A Virtual Conference 21 to 24 January 2021 on the theme The Power of Change: Inspiring the Teacher Within.

GETI is built on the foundation of several Ed Leadership International Conferences starting with the first Global TIE (Trends & Innovations in Education) in October 2006. As a premier training institute in Lucknow, India GETI is committed to transforming education by transforming teaching practice by way of its many endeavours

We have organized 12 Ed Leadership Conferences with around 5000 participants, 500 Fellowships and Awards, 4000 Schools PAN India, 200 Policy-makers, and 50 Topmost International Speakers.

GETI specializes in providing training to the pre-service and in-service teachers aiming to empower teachers in these fast-evolving times with faculty comprising international experts.

During the lockdown, GETI's #DisruptiveEducationMovement brought together more than 600 educators, motivational speakers, principals, and educators from all around the world to share their beliefs and views through social media live streaming platforms like Facebook & Youtube.

The Ed Leadership Conference is an annual event organized by GETI, enthusiastically participated in by educationists, school heads, and policymakers and enthusiastic educators from all over the world.

We are passionate about 'Creating Conversations Leading to Change'. The challenges this year cannot mar our spirit and zeal, thus we are organizing a virtual International Conference as a four-day event from 21 January to 24 January 2021.

Esteemed speakers from USA, UK, Canada, Finland, New Zealand, England, Pakistan, Kenya, Nepal, Dubai, Singapore, Sri Lanka, Mauritius and Australia, Bangladesh, Indonesia and Samoa will be joining this forum.

We invite you to join these change makers!

Being a part of this conference will provide you with a unique opportunity to:

- ✓ Make a positive impact on education
- ✓ Serve the global community
- ✓ Expand your network and interact with people with similar interests

We are also inviting practitioners, teachers who as pioneers have brought about innovative changes in school, to come forth with a presentation for the conference.
